

## A Word From Our Senior Pastors

Welcome to Valley Family Church!  
We are so glad you are here as we continue "You Revolution!" Too many people live and die and never fulfill their God-given destinies and visions for their lives. With our giftings and passions from God, it's up to us to set goals and walk out the plan in faithfulness. So are you ready for a Revolution? May you be blessed and inspired in your own faith as we seek to answer the question, "where are you going?" in today's message.

With love,  
Pastors Jeff and Beth Jones
